how are we doing the church that is and how are we doing it congregations have long measured success by bodies budget and buildings a certain record of attendance the offering plate and square footage but the scorecard can't stop there when it does the deeper emphasis on accountability discipleship and spiritual maturity is lost ignoring those details we see fewer lives transformed christian influence wane and churches thin out a situation that is all too familiar across north america today it is time to take heart and rework the scorecard according to ed stetzer and thom s rainer the authors of transformational church too often we've highlighted the negative realities of the declining american church but missed the opportunity to magnify the god of hope and transformation based on the most comprehensive study of its kind including a survey of more than 7 000 churches and hundreds of on site interviews with pastors transformational church takes us to the thriving congregations where truly changing lives is the norm stetzer and rainer clearly confirm the importance of disciple making for all through active biblical engagement and prayerful dependence on god alongside of ever increasing intentional participation in mission and

ministry activities as the church engages these issues the world will see the change more people following christ more believers growing in their faith more churches making an impact on their communities the transformation starts now

no matter what size church you are a part of this book will challenge your traditional thinking force you to look beyond the status quo and enable you to grasp a bigger vision of what god has in store for your ministry and your leadership ed young fellowship church shannon o dell s passion for the rural church in america is contagious craig groeschel lifechurch tv small church buildings dotting the countryside are home to ministries that often struggle with limited attendance no money and little expectation that change can revitalize their future in transforming church in rural america pastor shannon o dell shares a powerful vision of relevance possibility and excellence for these small churches or for any ministry that is stuck in a rural state of mind the book reveals how to generate growth through transformed lives ways to create active evangelism in your community no cost solutions for staffing challenges enhancing the worship experience and inspiring volunteers focusing on vision attitude leadership and innovation you can learn the practical strategies and biblical guidance that helped to grow a church of 31 into a multi campus church of several thousand with a national and global outreach discover effective structure and ways to cast god given vision so others can follow and make an impact experience the blueprint for transforming into effective dynamic and thriving churches no matter where the location or how small it may be more info

the revised second edition of the award winning the rcia transforming the church incorporates new insights in liturgical catechesis and ritual celebration that have emerged since the original edition the changed format includes an expanded commentary on each of the periods of the rite expanded sections all new sections practical guidelines and suggestions for using the rite with children again divided into three parts this resource first looks at foundational issues for implementing the rite including underlying theological issues and ministries in initiation the second section looks at each stage in the rite following a four step process the third section examines pastoral issues such as annulments ecumenical sensitivity discerning valid baptism etc

drawn from extensive research transforming church shares how all churches can experience genuine change and growth

arguing that the weakness of the church today is a loss of personal spirituality and congregational vitality ott challenges local churches to discover how to adjust the style of their ministries to attract new people while encouraging current members

culture shift written for church leaders ministers pastors ministry teams and lay leaders leads you through the process of identifying your church s distinctive culture gives you practical tools to change it from the inside out and provides steps to keep your new culture aligned with

your church's mission real transformation is not about working harder at what you're already doing or even copying another church's approach but about changing church culture at a foundational level

if there was ever a need for a healthy relevant and dynamic churches to emerge it's right now in today's culture of constant change how is it possible for a church to remain relevant and effective in this book mark conner reveals seven strategic shifts that every church must make in order to be effective in the 21st century these principles will help your church play a vital role in extending the kingdom of god to impact communities cities and nations for his glory

peter wagner tells readers exactly how they can contribute to the church's worldwide fulfillment of god's kingdom on earth the changing church sheds light on the exciting things that are happening by the power of the holy spirit the church is being aligned with god's plan for the great harvest while we might feel small in the scheme of things we can make a huge impact when we unite with what god is doing worldwide this new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of god's purposes

to transform a city is a valuable guide for those who dream big about the spiritual and social changes possible for the cities and towns that surround their churches two visionary leaders examine the foundations history theology and practical methods of community transformation

this edition is being replaced by isbn 0979067936 does the cell church strategy work in north america we hear about exciting cell churches in colombia and korea but where are the dynamic north american cell churches this book not only declares that the cell church concept does work in north america but dedicates an entire chapter to examining north american churches that are successfully using the cell strategy to grow in quality and quantity this book provides the latest statistical research about the north american church and explains why the cell church approach restores health and growth to the church today more than anything else this book will provide practical solutions for pastors and lay leaders to use in implementing cell based ministry

this volume dedicated to the memory of gerard mannion 1970 2019 former joseph and winifred amaturio chair in catholic studies at georgetown university explores the topic of changing the church from a range of different theological perspectives the volume contributors offer answers to questions such as what needs to be changed in the universal church and in the particular denominations how has change influenced the life of the church what are the dangers that change brings with it what awaits the church if it refuses to change many of the essays focus on people who have changed the church significantly and on events that have catalyzed change for the better or for the worse some also present visions of change for particular christian denominations whether over the ordination of the women different approaches to

sexuality reform of the magisterium and many other issues related to change

at once travel guide and vision for the future the transformation series is good news for the episcopal church at a time of fast and furious demographic and social change series contributors recognized experts in their fields analyze our present plight point to the seeds of change already at work transforming the church and outline a positive new way forward what kinds of churches are most ready for transformation what are the essential tools what will give us strength direction and purpose to the journey each volume of the series will explain why a changed vision is essential give robust theological and biblical foundations offer a guide to best practices and positive trends in churches large and small describe the necessary tools for change imagine how transformation will look preaching is one of the more transformable aspects of the church's life performance teacher ruthanna hooke writing for both clergy and lay leaders delivers the good and bad news about episcopalians and preaching she explains why preaching is more difficult than ever today and provides essential models and spiritual practices in order to transform both the creators of preaching and its listeners as both participate in sermons

the area of community development provides a unique opportunity for the church to partner with god in his mission to see the world transformed in transforming church tim monger draws from over a decade of experience working in integral mission alongside local congregations in east africa providing an overview of the current landscape of african community development he engages the question of how the church can be truly effective in alleviating poverty and bringing hope to its communities he explores the theological and biblical foundations for integral mission alongside its practical realities and casts a vision for what can be achieved when the church engages the development context in ways that are biblically grounded culturally appropriate and practically relevant this book is an excellent resource for practitioners students and christian leaders involved or seeking to be involved in rural and urban community development especially in africa transforming church calls readers to think biblically theologically and culturally about their work while inviting them to expand their vision of the church's role in ushering in the kingdom of god

helping churches succeed through transformation very truly i tell you whoever believes in me will do the works i have been doing and they will do even greater things than these because i am going to the father john 14 12 with this verse that jesus left with us as believers we must ask ourselves are we truly doing greater works than jesus today this writing is about the need to transform the culture in our churches in schools today as christian parents we want our children in the best school and some parents will even send their children to private school why because the environment the culture is more conducive for learning and when we learn we grow in this book we discuss the need to apply the same principle to our churches that is we must have an environment conducive to teaching and learning through the years the culture in our churches have deteriorated and we must transform that culture if we are to become who god say we should be in isaiah the

head not the tail above not beneath and the lender not the borrower this book explains why the culture in our churches has deteriorated and what will be required to transform that culture to transform church culture we must show how church leaders must establish the vision and develop a plan to communicate and achieve that vision show areas that scripture must be taught in order to grow develop and restore a culture of excellence in our church show how leaders can shape behaviors values and beliefs of parishioners at their church in a significant way how to get more parishioners involved in ministry how to restore trust within the church through biblical relevance provide the methodology to transforming your culture for a healthier church the three levels to church transformation level iii is the methodology to transform the existing church culture it will be introduced by the ccs team only because of copywrites on the material ccstransformation.org

at once travel guide and vision for the future the transformation series is good news for the episcopal church at a time of fast and furious demographic and social change series contributors recognized experts in their fields analyze our present plight point to the seeds of change already at work transforming the church and outline a positive new way forward what kinds of churches are most ready for transformation what are the essential tools what will give us strength direction and purpose to the journey each volume of the series will explain why a changed vision is essential give robust theological and biblical foundations offer a guide to best practices and positive trends in churches large and small describe the necessary tools for change imagine how transformation will look how can we open ourselves to the transforming energy of the bible and how can we become biblically literate how do we read the bible as a revealed text the word of god in a church and culture as diverse as ours without pain and division these are some of the questions wade asks about episcopalians and the bible the 21st century church has commitments to diversity and evangelism a responsibility to interpret the meaning of life for people whose lives are longer than ever before and a need to speak to the emerging culture of the future generations we must allow ourselves to be transformed by scripture as never before

an exploration of the christian mission of evangelism in the context of the episcopal faith at once travel guide and vision for the future the transformation series is good news for the episcopal church at a time of fast and furious demographic and social change series contributors recognized experts in their fields analyze our present plight point to the seeds of change already at work transforming the church and outline a positive new way forward what kinds of churches are most ready for transformation what are the essential tools what will give us strength direction and purpose to the journey each volume of the series will explain why a changed vision is essential give robust theological and biblical foundations offer a guide to best practices and positive trends in churches large and small describe the necessary tools for change imagine how transformation will look how can episcopalians reclaim evangelism primarily as an enriching spiritual practice how soon will we recognize that our traditional hands off approach has led to a crisis of evangelism with our own children how can we learn to practice

evangelism in an multicultural and multifaith society and to what purpose what styles and practices of spirituality do most to enrich our sense of evangelical calling these are some of the questions david gortner asks in this book on evangelism for clergy and congregational discussion he delivers both good and bad news about episcopalians and evangelism and provides models and spiritual practices to feed the growing hunger in our churches for good news

greg ogden recovers jesus method of accomplishing life change by investing in just a few people at a time in this revised and updated edition ogden sets forth his vision for transforming both the individual disciple and discipleship itself showing how discipleship can become a self replicating process with ongoing impact from generation to generation

no matter what size church you are a part of this book will challenge your traditional thinking force you to look beyond the status quo and enable you to grasp a bigger vision of what god has in store for your ministry and your leadership ed young fellowship church shannon o dell s passion for the rural church in america is contagious craig groeschel lifechurch tv small church buildings dotting the countryside are home to ministries that often struggle with limited attendance no money and little expectation that change can revitalize their future in transforming church in rural america pastor shannon o dell shares a powerful vision of relevance possibility and excellence for these small churches or for any ministry that is stuck in a rural state of mind the book reveals how to generate growth through transformed lives ways to create active evangelism in your community no cost solutions for staffing challenges enhancing the worship experience and inspiring volunteers focusing on vision attitude leadership and innovation you can learn the practical strategies and biblical guidance that helped to grow a church of 31 into a multi campus church of several thousand with a national and global outreach discover effective structure and ways to cast god given vision so others can follow and make an impact experience the blueprint for transforming into effective dynamic and thriving churches no matter where the location or how small it may be more info

building from a platform of church history biblical exegesis and the latest information from church growth and leadership training bill hull outlines seven changes to energize and activate the church of today

galen describes in detail the experiences that are rarely talked about in the life of a seasoned pastor this book is a great read for pastors teams and church members when i opened the manuscript on this book i was immediately drawn in i felt like i had front seats in the life of a great pastor s incredible journey kevin gerald senior pastor champions centre my father who is a veteran of two foreign wars told me he did not want to be led into battle by any man that had never been shot at from legalism to religiosity to genuine miracle this is a guy i m willing to listen to dr mark rutland president of global servants as i read this book i was motivated stirred and challenged get your copy read with intent

and be prepared to be inspired dr dave martin author of the 12 traits of the greats changing church will inspire you to reach beyond what you see today and into the god inspired dream that he had placed into your heart j don george founding pastor calvary church irving texas watching one of the fastest growing churches in america is so much fun but what did it take to get there this literary piece of genius shows us the behind the scenes of leadership shannon o dell senior pastor brand new church discovering that dreams really do come true step by step approach to church growth breaking attendance barriers the power of narrowed focus the value in embracing change
